Peer exchange with professionals from across Europe

Follow the employment journey

1 **Where are we now?** Rights, barriers, stereotypes and what makes services and workplaces inclusive.

2 **Supporting the person.** Person-centred practice, Supported Employment, vocational profiling and job matching.

3 **Conditions at work.** Working with employers, inclusive recruitment, reasonable accommodation and a study visit.

4 **Making it last.** Job retention, career progression and a concrete action plan for your organisation.

A European learning community

Learn side by side with professionals from other countries, sectors and settings. Share challenges and solutions, explore tested European practices and take home what works for you.
